Marin Science Seminar

The Marin Science Seminar is a series of extra-curricular **science lectures** held during the school year and consisting of **hour-long programs in all areas of science, engineering and mathematics**. Specialists speak to high school students on a topic and there is a discussion period afterwards. marinsscienceseminar.com to learn more.

Dates: Six **Wednesdays** per semester, **7:30 – 8:30 pm**

Location: Terra Linda High School, 320 Nova Albion Way, San Rafael - Innovation Hub (Park or enter by the San Rafael City Schools entrance, the entrance to the IH is by staff parking, through the courtyard on the 1st floor.)
