

For Teens and Community

Visit us at marinsscienceseminar.com

The Marin Science Seminar is a series of **free lectures** held during the school year and consisting of **hour-long programs in all areas of STEM** (science, technology, engineering, medicine & maths). Specialists speak to students & community on a STEM field to which they have personally contributed and there is a discussion period afterwards.

Dates: Six **Wednesdays** per semester, **7:30 – 8:30 pm**

Location: Terra Linda High School, 320 Nova Albion Way, San Rafael –

Innovation Hub (Park or enter by San Rafael City Schools entrance; entrance to IH is by staff parking, walk through the courtyard.)
