

Marin Science Seminar

What do scientists really do? The Marin Science Seminar brings local, working scientists: engineers, physicians, computer programmers and research scientists, to speak to high school students. Students learn what real scientists really do. Visit www.marinsscienceseminar.com to learn more.

Dates: Select Wednesdays 7:30 – 8:30 pm

Location: Terra Linda High School, San Rafael; Physiology Lab 207

Spring 2014
