

The Marin Science Seminar is a series of extra-curricular, interactive science presentations held during the school year and consisting of programs in **all areas of science, engineering and mathematics**. Specialists bring a multimedia presentation and speak to high school students on a topic and there is a discussion period afterwards. Marin teens and their parents are welcome to attend. Visit www.marinscienceseminar.com to learn more.

Dates: Wednesdays, 7:30 – 8:30 pm

Location: Terra Linda High School Physiology Lab 207.
