

Marin Science Seminar Presents

# Combating Climate Change

## Clean Energy, Green Building & Energy Efficiency with Cyane Dandridge

**A one-hour multimedia presentation for Marin  
High School Students and Teens in Marin**

Wednesday, November 13<sup>th</sup>, 2013

7:30 – 8:30 pm

Terra Linda High School, Room 207  
320 Albion Way, San Rafael, CA 94903

Cyane Dandridge is the executive director and founder of Strategic Energy Innovations (SEI). SEI, based in Terra Linda, helps empower schools, small businesses, local governments, affordable housing agencies, and rural communities to reduce pollution and save money through energy and resource efficiency, green building and green workforce education and training.

*Cyane received her master's degree in Building Technology from the Massachusetts Institute of Technology. She holds a BA in Physics from Reed College. She helped to design and launch the Marin School of Environmental Leadership at Terra Linda High School.*

**Join Us and Learn! 😊**
