

Marin Science Seminar Presents

# **Sick Seals & Seizing Sea Lions**

## What Marine Mammals Can Tell Us About the Health of Our Oceans

with Dr. Claire Simeone DVM  
of The Marine Mammal Center, Sausalito

**A one-hour multimedia presentation for Marin High School Students and Teens in Marin**

**Wednesday, October 8<sup>th</sup>, 2014**

7:30 – 8:30 pm

Terra Linda High School, Room 207  
320 Albion Way, San Rafael, CA 94903

Dr. Claire Simeone is a Conservation Medicine Veterinarian at The Marine Mammal Center in Sausalito, California, as well as National Marine Fisheries Service in Washington, DC. In addition to taking care of sick marine mammals that come for treatment at the rehabilitation center, she also travels nationally to respond to Unusual Mortality Events, develops international training programs, and works on the Marine Mammal Health Map, which provides a centralized reporting system for marine mammal health data.
