

Marin Science Seminar Presents

Computers, Robots, and Medical Education, Oh My!

with Drs. Art Wallace & Jan Hirsch, M.D.s Ph.D.s
of UCSF and the San Francisco Veterans Affairs Medical Center

A one-hour multimedia presentation for Marin High School Students and Teens in Marin

Wednesday, December 5th, 2012

7:30 – 8:30 pm

Terra Linda High School, Room 207

320 Albion Way, San Rafael, CA 94903

How do physicians learn to diagnose and treat common life threatening medical conditions? Increasingly, simulation and robots are being used. Drs. Wallace and Hirsch will discuss and demonstrate some of these advances in medicine.

WARNING: People with heart disease should not sit in the front row.

Drs. Wallace & Hirsch are anesthesiologists and researchers at the San Francisco VA Medical Center and professors at UCSF Medical School. Dr. Wallace is Chief of Anesthesia at the SF VAMC. Dr. Hirsch works extensively on the use of computerized robots in medical education.
