

Fun Internships for Fall and/or Spring!

Interested in learning more about Science? Journalism? Videography? Social Media? Apply for a Marin Science Seminar (MSS) internship!

Go to marin scienceseminar.com/interns.html to start online today!

Requirements:

- * High school student (or equivalent) in Marin County
- * Attend and assist at six Wednesday evening seminars per semester at Terra Linda High School (available from 7 pm – 8:45 pm seminar dates, see below)
- * Choose a specialization. You can create an impressive portfolio for future jobs and internships, and even college. Science journalism, video production, photography, blogging, social media management, audio-visual management and more.
- * Submit online application and 2 writing, videography or photography portfolio samples (or a mix)
- * Get interviewed in San Rafael or South Novato

Also – Eligible for Marin County Office of Education School-to-Career internship credit if you apply at your public high school's College and Career Center.

Important Dates:

- Midnight Friday, August 29th, 2015 – Deadline to apply for Fall internship
- Friday, September 4th, 2015 – Internship acceptances sent out
- Wednesday, September 9th, 2015 – First science seminar of the academic year!
